

Texas Riparian & Stream Ecosystem Workshop

Eagle Mountain Lake Watershed

October 14, 2014

9:00 a.m. - 5:00 p.m.

Azle Memorial Library

333 West Main St, Azle, Texas

Online RSVP and Agenda: naturalresourcestraining.tamu.edu/schedule

Workshop partners include: Tarrant Regional Water District, Wise County Water Control and Improvement District #1, Wise Soil and Water Conservation District, and Wise County Commissioners Court. For more information and to register please contact Nikki Dictson at 979-458-5915 or n-dictson@tamu.edu.

Continuing Education Units available: Texas Department of Agriculture Pesticide Applicators License – 3 CEUs; Texas Water Resources Institute – 1 CEU; Texas Nutrient Management Planning Specialists –6 hours; Texas Forestry Association –6 hours; Society of American Foresters –5.5 hours; Texas Board of Architectural Examiners “Acceptable for HSW credit”; and may also be used for CEUs for Professional Engineers.

The workshop will include both indoor classroom presentations and an outdoor field portion at a local creek to discover how it functions and the role of riparian vegetation in properly functioning stream systems. A catered lunch will be available for the cost of \$10 cash at the door, but RSVPs are required by Oct. 8, 2014. Please remember to select either the catered lunch or if you will bring your own lunch. To RSVP by mail, please complete the form below and send to 1500 Research Pkwy, Ste 110, College Station, TX 77843-2260.

First name: _____ Last name: _____
