

# Urban Riparian and Stream Restoration Program

## Urban Stream Processes and Restoration Training – San Antonio

November 7, 2018 | 8:30 am - 4:00 pm

San Antonio River Authority

100 E Guenther Street

San Antonio, TX 78204

Information including the hydrologic cycle, basics to stream morphology, stream classification, stream instability, stream restoration, stabilization structure, vegetation, and monitoring and evaluation will be explained through classroom-style teaching in the morning session, and hands-on activities in the field at a nearby stream in the afternoon sessions. Participants will receive a certificate of completion at the end of the training.

Registration is limited to the first 40 people. Cost is \$100 and includes all training materials, lunch, and a certificate of completion at the end of the course. Registration is required by November 2, 2018. Register online at <http://texasriparian.org/restoration-training/restoration-trainings-schedule/>, or by email to [clare.entwistle@ag.tamu.edu](mailto:clare.entwistle@ag.tamu.edu). Lunch will be provided but participants may bring their own. Dress is casual and comfortable; please bring boots/waders, as we will be out in the field in the afternoon.

Continuing Education Units Available:

- Texas Water Resources Institute – 1 CEU
- Texas Floodplain Management Association – 6 CEU
- Texas Nutrient Management Planning Specialists – 6 hours
- Certified Crop Advisor -- 7 CEUs (Nutrient Mgmt.: 1, Soil & Water: 2.5, IPM: 1, Sustainability: 2.5)
- Texas Board of Architectural Examiners "Acceptable for HSW credit"
- The program may also be used for CEUs for Professional Engineers.
- Check with your Chapter for Master Naturalist and Master Gardener to see if it is approved for your area.

Life's better outside.  
PROUD PARTNER
